

LEA/Independent Assessment Forms

Due to the large number of requests to complete Local Education Authority forms and similar, we have developed this information sheet to help you with some of your queries.

A copy of the SkiBound H&S Policy Statement can be seen by following the link below, or alternatively a hard copy can be provided on request.

We are fully assured members of the School Travel Forum ('STF').

Teachers using an STF Assured Member can be secure knowing that their travel partner:

- Understands and facilitates the needs of educational travel
- Manages safety effectively
- Offers fair terms and conditions, and the best financial security
- Is fully inspected every year by independent experts

Further details of the STF requirements and guidelines can be found at:

We are also holders of the Learning Outside the Classroom Quality Badge (LOtC). As an LOtC provider this provides you with the peace of mind that we have been assessed against a set of quality indicators relating to safety and effective educational programmes.
